

These Valentines were made by Morgen Mills in 2014 as fun, locally-themed cards for her daughter to hand out at daycare. Later Morgen sold printed sets to raise funds for the Melville Public Library in Happy Valley-Goose Bay. In 2024 she made them freely available online. Feel free to print and use as desired.

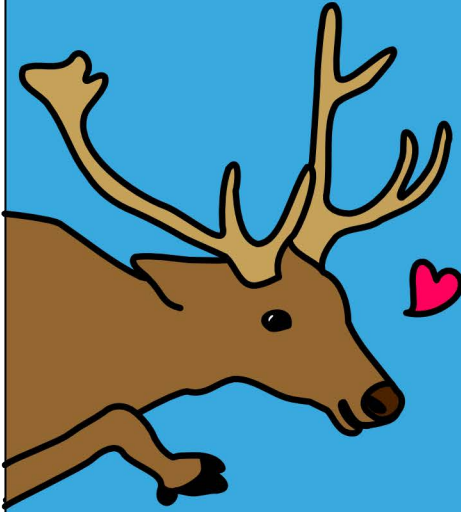

Lookin' sharp,
Valentine!

You're the
bakeapple
of my eye.

You're
tree-
mendous!

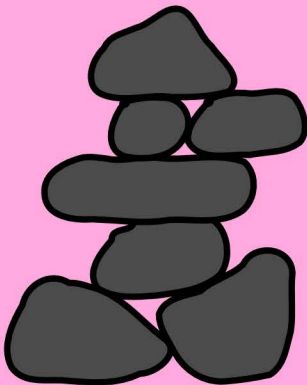

I caribou-t you!

You're berry

My heart beats
for you.

You rock
my world!

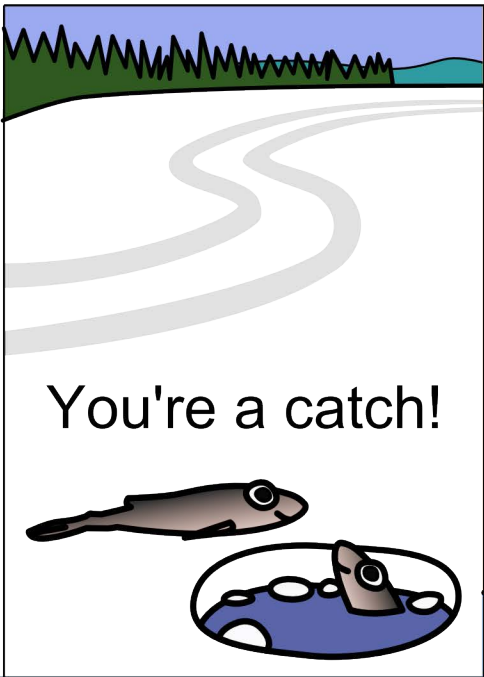

You're
tea-riffic!

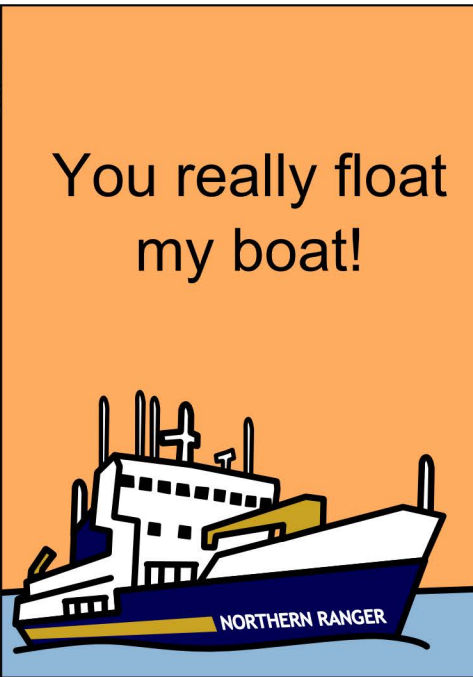

You light up
my life.
